Tree	**Fraxinus excelsior 'aurea'** GOLDEN ASH TREE
Description	An attractive deciduous tree for all seasons with a rounded crown. The foliage is a light yellow colour turning pale green in summer. In autumn the foliage turns a brilliant golden yellow that is the main feature of this tree. In winter the young branches are yellow with distinctive black buds. A stunning tree with multi-seasonal interest.
Foliage	☒ Deciduous
Form	☒ Round
Mature Size	7 x 7m
Uses	A beautiful year round specimen tree planted for autumn colour and interesting young branches in winter. Can be used in any sized garden. Great for shade in parks
Position & Soil	Prefers a deep loam, moist for best results. Will tolerate heat, moderate dry periods and wet conditions but does prefer cooloer areas.
